OFFER FIRST AID AND MEDICAL ASSISTANCE

Location of O2 and First Aid Kit:

Two O2 kits and a first aid kit are located inside the dive shop, next to the cashier counter by the wall

Location of Flotation Devices:

A flotation device is located inside the dive shop's rental garage, hanging on the wall above the computer desk. There are also flotation devices on both the north and south docks.

Location of Air Horns for Signaling Distress:

Air horns are located on both north and south docks to use when there is a known diver in distress. The air horn will alert the employees of Blue Water Park and 911 will be called. DO NOT USE FOR ANYTHING OTHER THAN SIGNALING DISTRESS.
